

The Boys' Brigade  
12<sup>th</sup> Singapore Company (Barker Road)

Dear Band Members,

Thank you for your commitment in the band for the past 2 months as we made our preparation for the 6<sup>th</sup> Pipes & Drums Festival. Although we did not achieve any honours in this competition, I am sure our participants made an entertaining and creditable performance this year.

Let us not be demoralised by the results of this competition and move on to strive harder to improve ourselves. I urge all of you to turn up regularly for the band practices as the instructors, officers and primers impart our experiences and skill to you. We shall make this time of learning as a preparation for next competition in a year's time.

For the next 2 months of band practices, the training plan will be targeted towards achieving Pipers' and Drummers' Proficiency badges. The syllabus of the test will be informed to you shortly.

As a reminder, the music lessons are sponsored by 12<sup>th</sup> Singapore Company (Barker Road), your commitment is required upon expressing your interest to join band. Attendance is **COMPULSORY** for all practice and you are required to provide a letter of excuse from your parents or medical certificate if you are absent.

Thank you and hope you will enjoy all the band sessions. See you there!

Best regards,

**Ong Wey Shi**  
Officer Commanding
